Shipping Instructions:

Your media must be shipped to Sweet Spot 35 Scanning. We are unable to offer customer drop-off. Media is not returned to customers after scanning. No exceptions. Media is destroyed after payment for services is complete.

Please ensure you ship only the media you want scanned!

In preparation for shipping, the media you want scanned must be removed from any storage containers, photo albums, picture sleeves/envelopes, etc.

Print and complete the shipping label and customer information.

Place the completed customer information sheet along with any other specific instructions you may have in the shipping container with the media.

Cut and attach the shipping label located at the top of this page to the package. Ship to us via Canada Post or courier - the choice is yours.
